27 February 2026

Dear Residents,

It has been brought to the Board's attention that the Community Update circulated on 25 February 2026 contained an inaccurate statement.

The circular included the sentence:

*"During the meeting, the Chair, Anne Glenister, was subjected to verbal criticism by some members present."*

That statement should not have appeared in the circulated version of the document. It formed part of an earlier draft and was not intended to be included in the final communication.

For clarity, the reference to the Chair being subjected to verbal criticism was erroneous and should be disregarded.

The Board regrets the inclusion of that statement and any misunderstanding it may have caused.

All other aspects of the Community Update dated 25 February 2026 remain unchanged.

Yours faithfully,

For and on behalf of the Board

The Sovereign Islands Gateway Company Limited
