Subject: FW: Sovereign Islands (GW) - Reconvened 2025 AGM

Dear Karina

Thank you for your email.

Due to the high volume of proxies and voting papers handed to our Team at the AGM, it was very time consuming endeavouring to check if the owners and proxy givers were financial, and many owners did not know their lot numbers, or precinct number – all of which contributed to the delays with registration. There were also many ‘double-ups’ of proxies whereby we had already received the proxy, and we were handed a printed proxy as well.

To alleviate as many delays with registration as possible, we have requested that no voting papers or proxies be handed in on the day.

We look forward to receiving your voting paper or proxies prior to the AGM, preferably by email.

Should you have any issues with the above, please let us know so we can assist prior to the AGM on 25 February.

Kind regards
Katie

Hi Lyn

On the voting papers it says “No voting papers or proxies will be accepted or included in the voting for the AGM after 10am Monday 23 February 2026” and “No voting papers or proxies will be accepted or included in the voting on the day of the meeting”.

Can you please clarify – does ‘voting papers or proxies’ mean all voting papers, or is it just referring to ‘proxy votes’.

Will votes be accepted on the day when handed in by person (ie not a proxy vote)?

Thank you
